

## GLFP 8th Forum Presentation

# POST-CONFLICT PEACE BUILDING FOR THE UKRANIAN CRISIS:

### Exploring multiple aspects of peace

Since the Russian invasion, the situation remains uncertain. Without doubt, there will be a bumpy path ahead even after ceasefire is reached. However, it is morally important to discuss and explore peace for post-war situations. Founded upon the premise that multiple dimensions of peace entail the post-war societies, this Forum will examine post-war peace from multiple perspectives.

7/13 | 18:15~19:45
